

Pull clamps (high force)

Item description/product images

Description

Material:

Housing, clamping ring and handles, carbon steel.
Grip thermoset PF 31.

Version:

Housing and clamping ring hardened and black oxidised.
Handles black oxidised.
Grip black.

Note:

When clamping with a high force clamping pin the recommended workpiece tolerances must be maintained. The grip lever must lay between the recommended clamping position and end point for safe clamping.

* Max. workpiece thickness, see clamping pin K0911 (dimension C).

** Admissible hand force for the handle.
